Introduction

Chapter

1.1

Introduction

What is the “Cohort Default Rate Guide?”..... 1.1-1

What kind of cohort default rates
are not covered in this Guide?..... 1.1-1

How is this Guide organized?..... 1.1-2

How does this version of the Guide differ
from previous versions of the Guide?..... 1.1-3

How does a school or data manager use this Guide?..... 1.1-4

How can a school or data manager
provide feedback on this Guide?..... 1.1-6

Part

II

General Information

Chapter

2.1

Calculating Cohort Default Rates

What is a cohort default rate?..... 2.1-1

Which types of loans are included
in the cohort default rate calculation?..... 2.1-2

When are cohort default rates sent to schools?..... 2.1-3

Who receives cohort default rates?..... 2.1-3

What are the consequences of cohort default rates?.....	2.1-5
What are the time frames for cohort default rates?.....	2.1-6
How does the Department calculate a school's cohort default rate?.....	2.1-7
Which formula does the Department use to calculate a school's draft cohort default rate?.....	2.1-9
Which formula does the Department use to calculate a school's official cohort default rate?.....	2.1-9
What is an unofficial cohort default rate?.....	2.1-9
How does the Department determine which loans are placed in the denominator of the cohort default rate calculation?.....	2.1-9
How does the Department determine which loans are placed in the numerator of the cohort default rate calculation?.....	2.1-10
How do consolidation loans affect the numerator of the cohort default rate calculation?.....	2.1-11
How does loan rehabilitation affect the numerator of the cohort default rate calculation?.....	2.1-11
Are there any special circumstances that affect how a borrower will be included in the cohort default rate calculation?.....	2.1-12
What effects do Department actions have on the cohort default rate calculation?.....	2.1-16

Chapter

2.2

Cohort Default Rate Effects

Why are cohort default rates important?.....	2.2-1
Are there any sanctions or benefits associated with draft cohort default rates?.....	2.2-1
Will a school's draft cohort default rate and official cohort default rate be the same?.....	2.2-1
Are there any benefits for schools with low official cohort default rates?.....	2.2-2

Are there any sanctions associated with high official cohort default rates?	2.2-3
Can a school avoid the sanctions associated with high official cohort default rates?	2.2-4
Do cohort default rate sanctions apply to Historically Black Colleges or Universities, Tribally Controlled Community Colleges, and Navajo Community Colleges?	2.2-5
Are there any consequences if a school submits adjustments and/or appeals but fails to avoid sanctions?	2.2-5
If a school is subject to sanction, when does the sanction take effect?	2.2-6
How does a school withdraw from or reapply for participation in the Title IV loan programs?	2.2-7

Chapter
2.3

Loan Record Detail Report

What is a loan record detail report?	2.3-1
Why should a school review its loan record detail report?	2.3-1
Which schools receive hardcopy loan record detail reports?	2.3-2
What is an electronic loan record detail report?	2.3-3
Can a school request a hardcopy or electronic loan record detail report from the Department?	2.3-4
Are the loan record detail reports subject to the Privacy Act?	2.3-4
How does a school read a loan record detail report?	2.3-5
How does a school identify the data manager of a loan?	2.3-16

Chapter
2.4***Change in Status and Evasion***

What is a change in status?	2.4-1
How does a school's change in status affect the school's cohort default rate?	2.4-2
What types of actions are considered attempts to evade cohort default rate consequences?	2.4-4

Chapter
2.5***Department Offices and Addresses***

Introduction.	2.5-1
Default Management.	2.5-2
Case Management.	2.5-3
Direct Loan Schools Relations.	2.5-4
Other Department Offices.	2.5-6

Chapter
2.6***General Information Tools***

Instructions for Requesting Cohort Default Rates from the National Student Loan Data System (NSLDS).	2.6-1
General Information About the Electronic Loan Record Detail Report.	2.6-1
Instructions for Requesting an Electronic Loan Record Detail Report.	2.6-2
Electronic Loan Record Detail Extract File Layout and Detailed Repayment Information Extract File Layout.	2.6-4
Alphabetical Data Manager Contacts.	2.6-10
Numerical Data Manager Contacts.	2.6-11

Part
III

Strategy

Chapter
3.1

School Strategies

Why should a school review this chapter?.....	3.1-1
What strategies can a school employ in relation to the release of the draft and official cohort default rates?.....	3.1-2
What is repayment information?.....	3.1-4
What are the benefits of reviewing repayment information?.....	3.1-4
What types of repayment information are available?.....	3.1-5
What actions can a school take to help process the draft and official cohort default rates?.....	3.1-6
How does a school prepare for the release of the cohort default rates?.....	3.1-6
When are cohort default rates sent to schools?.....	3.1-7
How does a school review its cohort default rate data?.....	3.1-8
How does a school determine if it should submit a challenge, adjustment, or appeal?.....	3.1-9
Why should a school that is not subject to sanction contest inaccurate data on the loan record detail report?.....	3.1-12
How does a school determine if there is inaccurate data on the loan record detail report?.....	3.1-13
How does a school contest inaccurate data on the loan record detail report?.....	3.1-14
How does a school contend that it has exceptional mitigating circumstances that should prevent the school from being subject to sanction due to its cohort default rate?.....	3.1-15
What are the time frames for submitting a challenge, adjustment, or appeal?.....	3.1-17
How does a school or data manager use the time frames chart?.....	3.1-17

Chapter
3.2

Data Manager Strategies

Why should a data manager review this chapter?.....	3.2-1
What strategies can a data manager employ before the release of the draft and official cohort default rates?.....	3.2-1
What strategies can a data manager employ to help process challenges, adjustments, and appeals?.....	3.2-2
What should a data manager do if it receives an incorrect submission from a school?.....	3.2-4
What should a data manager do if the school's challenge, adjustment, or appeal is successful?.....	3.2-5
How does a data manager keep the Department informed about its cohort default rate actions?.....	3.2-5

Chapter
3.3

Strategy Tools

<i>Repayment Information Tools</i>	3.3-1
What types of repayment information are available?.....	3.3-1
How does a school obtain summary repayment information?.....	3.3-2
How does a school obtain detailed repayment information?.....	3.3-3
How does a school read a detailed repayment information extract file?.....	3.3-7
Is repayment information subject to the Privacy Act?.....	3.3-7
<i>School Tools</i>	3.3-8
<i>Data Manager Tools</i>	3.3-10
Data Manager Monthly Status Report Instructions.....	3.3-10
Which Department address does a data manager use for submitting a monthly status report?.....	3.3-12
<i>Full-Sized Blank Spreadsheets</i>	3.3-12

Part
IV

Challenges, Adjustments, and Appeals

Chapter
4.1

Incorrect Data Challenge

What is an incorrect data challenge?.....	4.1-1
Which schools are eligible to submit an incorrect data challenge?.....	4.1-1
What benefit will a school gain from submitting an incorrect data challenge?.....	4.1-2
What roles do the Department and data managers have in a school's incorrect data challenge?.....	4.1-3
How does a school submit an incorrect data challenge?.....	4.1-4
How does a school identify the data manager of a loan?.....	4.1-6
How does a data manager respond to a school's incorrect data challenge?.....	4.1-6
Which Department address does a data manager use for submitting a copy of its incorrect data challenge response?.....	4.1-12
What does Default Management do with a data manager's incorrect data challenge response?.....	4.1-13
What does a school do with a data manager's incorrect data challenge response?.....	4.1-13

Chapter
4.2

Participation Rate Index Challenge

What is a participation rate index challenge?.....	4.2-1
Which cohort default rate can be used to determine a participation rate index challenge?.....	4.2-1

Which schools are eligible to submit a participation rate index challenge?	4.2-2
What benefit will a school gain from submitting a participation rate index challenge?	4.2-2
Are participation rate index challenges based on a specific period of time?	4.2-2
How does a school calculate its participation rate index?	4.2-4
Does a school need to wait until the draft cohort default rate is released to prepare its participation rate index challenge?	4.2-6
What roles do the Department and data managers have in a school's participation rate index challenge?	4.2-6
How does a school submit a participation rate index challenge?	4.2-7
Which Department address does a school use for submitting a participation rate index challenge?	4.2-8
What happens after the school submits the participation rate index challenge?	4.2-10
What happens to a school's participation rate index challenge after the release of the official cohort default rates?	4.2-10

Chapter
4.3***Uncorrected Data Adjustment***

What is an uncorrected data adjustment?	4.3-1
Which schools are eligible to submit an uncorrected data adjustment?	4.3-2
What benefit will a school gain from submitting an uncorrected data adjustment?	4.3-2
What roles do data managers have in a school's uncorrected data adjustment?	4.3-2
How does a school submit an uncorrected data adjustment?	4.3-3

Which Department address does a school use for
submitting an uncorrected data adjustment?..... 4.3-6

What happens after the school submits
the uncorrected data adjustment?..... 4.3-6

Chapter
4.4

New Data Adjustment

What is a new data adjustment?..... 4.4-1

What is new data?..... 4.4-1

What if the new data is correct?..... 4.4-1

Which schools are eligible to submit
a new data adjustment?..... 4.4-2

What benefit will a school gain from
submitting a new data adjustment?..... 4.4-3

What roles do the Department and data managers
have in a school's new data adjustment?..... 4.4-3

How does a school submit new data
adjustment allegations to a data manager?..... 4.4-4

How does a school identify
the data manager of a loan?..... 4.4-8

How does a data manager respond to a
school's new data adjustment allegations?..... 4.4-8

Which Department address does a
data manager use for submitting a copy of
its new data adjustment allegations response?..... 4.4-12

What does a school do with the data manager's
new data adjustment allegations response?..... 4.4-14

Which Department address does a school use
for submitting a new data adjustment?..... 4.4-16

What happens after the school
submits the new data adjustment?..... 4.4-16

Chapter
4.5

Erroneous Data Appeal

What is an erroneous data appeal?.....	4.5-1
What is new data?.....	4.5-1
What if the new data is correct?.....	4.5-1
What is disputed data?.....	4.5-2
Which schools are eligible to submit an erroneous data appeal?.....	4.5-2
What benefit will a school gain from submitting an erroneous data appeal?.....	4.5-3
What roles do the Department and data managers have in a school's erroneous data appeal?.....	4.5-3
How does a school submit erroneous data appeal allegations to a data manager?.....	4.5-4
How does a school identify the data manager of a loan?.....	4.5-8
How does a data manager respond to a school's erroneous data appeal allegations?.....	4.5-8
Which Department address does a data manager use for submitting a copy of its erroneous data appeal allegations response?.....	4.5-12
What does a school do with the data manager's erroneous data appeal allegations response?.....	4.5-14
Which Department address does a school use for submitting an erroneous data appeal?.....	4.5-18
What happens after the school submits the erroneous data appeal?.....	4.5-18
How does provisional certification affect a school's ability to submit an erroneous data appeal?.....	4.5-19

Chapter
4.6

Loan Servicing Appeal

What is a loan servicing appeal?.....	4.6-1
When is a defaulted FFEL considered improperly serviced for cohort default rate purposes?.....	4.6-1
When is a defaulted Direct Loan considered improperly serviced for cohort default rate purposes?.....	4.6-2
Which schools are eligible to submit a loan servicing appeal?.....	4.6-3
What benefit will a school gain from submitting a loan servicing appeal?.....	4.6-3
What roles do the Department and data managers have in a school's loan servicing appeal?.....	4.6-4
How does a school submit a request for loan servicing records?.....	4.6-5
How does a school identify the data manager of a loan?.....	4.6-6
What does a data manager do when it receives a school's request for loan servicing records?.....	4.6-8
What if the data manager requires that a fee be paid to obtain loan servicing records?.....	4.6-10
How does a data manager respond after determining that it is appropriate to send the loan servicing records?.....	4.6-12
Which Department address does a data manager use for submitting a copy of the response to a request for loan servicing records?.....	4.6-16
What does the school do with the data manager's response to the school's request for loan servicing records?.....	4.6-16
Which Department address does a school use for submitting a loan servicing appeal?.....	4.6-20
What happens after the school submits the loan servicing appeal?.....	4.6-20

Chapter
4.7

Economically Disadvantaged Appeal

What is an economically disadvantaged appeal?.....	4.7-1
What benefit will a school gain from submitting an economically disadvantaged appeal?.....	4.7-1
Are economically disadvantaged appeals based on a specific period of time?.....	4.7-2
How does a school calculate its low income rate?.....	4.7-3
How does a non-degree-granting school calculate its placement rate?.....	4.7-4
How does a degree-granting school calculate its completion rate?.....	4.7-6
Does a school need to wait until it receives a notice of loss of eligibility to calculate its low income rate and placement rate or low income rate and completion rate?.....	4.7-8
How does a school submit an economically disadvantaged appeal?.....	4.7-8
Which Department address does a school use for submitting an economically disadvantaged appeal?.....	4.7-12
How does an independent auditor review the management's written assertion?.....	4.7-12
What happens after the school submits the independent auditor's written opinion?.....	4.7-16
What roles do data managers have in a school's economically disadvantaged appeal?.....	4.7-18

Chapter
4.8

Participation Rate Index Appeal

What is a participation rate index appeal?.....	4.8-1
Which cohort default rate can be used to determine a participation rate index appeal?.....	4.8-1
Which schools are eligible to submit a participation rate index appeal?.....	4.8-2
What benefit will a school gain from submitting a participation rate index appeal?.....	4.8-2
Are participation rate index appeals based on a specific period of time?.....	4.8-2

How does a school calculate its participation rate index?	4.8-4
Does a school need to wait until the official cohort default rate is released to prepare its participation rate index appeal?	4.8-6
What roles do the Department and data managers have in a school's participation rate index appeal?	4.8-6
How does a school submit a participation rate index appeal?	4.8-7
Which Department address does a school use for submitting a participation rate index appeal?	4.8-8
What happens after the school submits the participation rate index appeal?	4.8-10

Chapter
4.9

Average Rates Appeal

What is an average rates appeal?	4.9-1
How does a school qualify for a successful average rates appeal if the school is subject to sanction because of three consecutive cohort default rates that are 25.0 percent or greater?	4.9-1
How does a school qualify for a successful average rates appeal if the school is subject to sanction because of a cohort default rate that is greater than 40.0 percent?	4.9-2
How does the average rates appeal process begin?	4.9-2
What if a school disagrees with the initial determination by Default Management?	4.9-3
Which Department address does a school use for submitting an average rates appeal?	4.9-3

Chapter
4.10

Thirty-or-Fewer Borrowers Appeal

What is a thirty-or-fewer borrowers appeal?	4.10-1
How does a school qualify for a successful thirty-or-fewer borrowers appeal?	4.10-1
How does the thirty-or-fewer borrowers appeal process begin?	4.10-1
What if a school disagrees with the initial determination by Default Management?	4.10-2
Which Department address does a school use for submitting a thirty-or-fewer borrowers appeal?	4.10-2

Challenge, Adjustment, and Appeal Tools

Which address does a school or data manager use for submitting challenge, adjustment, or appeal materials to Default Management?.....	4.11-1
<i>Incorrect Data Challenge, New Data Adjustment, and Erroneous Data Appeal Tools</i>	4.11-2
What types of loan record detail report allegations may a school submit as a part of an incorrect data challenge, new data adjustment, or erroneous data appeal?.....	4.11-2
What supporting documentation does a school need to submit with its allegations?.....	4.11-2
Does a school need to submit loan record detail report pages with its allegations?.....	4.11-3
What specific allegations and supporting documentation can a school submit?.....	4.11-4
<i>Spreadsheet Tools</i>	4.11-9
General Spreadsheet Information.....	4.11-9
Incorrect Data Challenge / New Data Adjustment / Erroneous Data Appeal Spreadsheet Instructions.....	4.11-12
Participation Rate Index Spreadsheet Instructions.....	4.11-14
Uncorrected Data Adjustment / New Data Adjustment Spreadsheet Instructions.....	4.11-16
Loan Servicing Appeal Spreadsheet Instructions.....	4.11-18
Low Income Rate Spreadsheet Instructions.....	4.11-20
Placement Rate Spreadsheet Instructions.....	4.11-22
Completion Rate Spreadsheet Instructions.....	4.11-24
Full-Sized Blank Spreadsheets.....	4.11-26
